COMMUNITY HAPPENINGS

Page 15

While much of the nation is divided on the 26th January celebrations held each year, the attendance and support shown at Brunswick Lions' Aussie Day Breakfast revealed an outstanding unity of the community. Organised by the Brunswick Lions Club members and their support network, a delicious breakfast was prepared and served, together with generous donations from Brownes Dairy, Harvey Fresh, Symon Torrisi and Runnymede Farm.

After the unfurling of the national flag by members of Brunswick Tennis club, a short series of speeches from Lion Mark Talbot and President Robert George preceded the Australia Day awards delivered by Cllr Wendy Dickinson and Andre Morris of the Shire of Harvey. Leading the field of members recognised for their contributions to our community was Josie Marston who was successfully nominated as Young Community Citizen of the Year over the whole of the Shire of Harvey.

As many people are aware, Josie is an enthusiastic volunteer in her role with us at Brunswick Resource Centre. She has supported the preparation for publication of The Moospaper, adding her unique touch to the design - have you noticed the cows with high heels on! Josie has also been an inspiration for the Kidz Club after-school youth program and co-presenter of our junior paint, sip and crunch sessions. An all-rounder, Josie brings a very positive can-do approach to supporting the range of events that the centre has organised in the town. She has also been active as a volunteer with the Brunswick Agricultural Show, the Anglican Church in Harvey and has supported a youth group in the town there too! Well done Josie, for the amazing achievements in your volunteer role and in your studies. We wish you all the very best for the next chapter in life and at university. CONGRATULATIONS! (Cntd pg 7).

MAGGIE'S MUSINGS

MARGRET CARBONE

Happy New Year! Welcome to 2025 in beautiful Brunswick! Thanks to the Brunswick Town Team, the year got off to a great start with Movies And Moonlight, with the outdoor screening of the family movie Rio on 18 January. Then on 26 January, thanks to the wonderful volunteers at Brunswick Lions Club, locals enjoyed a wonderful Australia Day Breakfast in the T W Pearson Pavilion on the showgrounds. And As we welcome February, there's more happening in our great town! Keep Tuesday 25 February free for a very special event at Brunswick Tavern. A quiz night fundraiser is being held for the Pitts family of Roelands. Natasha, who was raised in Brunswick, and husband Scott are parents to three wonderful and courageous girls named Matilda, Georgia and Danika, who attend Our Lady of Mercy College in Australind and St Michael's School in Brunswick. Danika was diagnosed with a brain tumour in 2020 at the age of 4. After bravely undergoing surgeries and chemotherapy, Danika now goes to school while continuing with regular checkups and medication. In April 2024, Matilda became very unwell and the Royal Flying Doctor Service was called to transport Matilda, with Natasha, to Perth Children's Hospital. They have been there since, with Matilda undergoing numerous rounds of chemotherapy, radiation and transfusions to treat the tumours which were found on her spine and lung. Natasha and Scott say they are extremely grateful for the assistance of family and friends, who are helping keep Georgia and Danika at home and in school while their parents are in Perth.

Through all this, this community-minded local family continue to donate time and effort to help others, one example of many being Natasha's volunteering on Telethon weekend in the telephone room and elsewhere. A group of locals have banded together to arrange the Quiz night fundraiser, with many donations already being contributed by people who cannot attend. So to support this worthy cause while enjoying a great night out, get your table together and maybe win some great prizes! All while helping a local family! Look out for details elsewhere in this issue!

In other local news, Harvey-Brunswick-Leschenault Football Club's pre-season training is underway as the club welcomes new president Anthony Sabourne. The first home game will be on Saturday 29th March against Harvey Bulls, with the league match being the first game played under the long-awaited new lights!

Don't you just LOVE Brunswick?

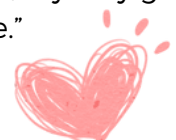

CONGRATULATIONS TO

- Angela and Mark Talbot of Brunswick on the arrival of first grandchild Maggie Grace, daughter of Sarah and Harley.
- Rose and Luke Anderson of Brunswick on their Pearl wedding anniversary, celebrating 30 years of marriage.
- Bill Catalano on his 90th birthday on January 24th.

VALENTINES DAY FUN FACT

The first Valentine was sent back in the 15th century by Charles the Duke of Orleans! A line of a poem he sent to his wife who was a political prisoner in the Tower of London read:

"I am already sick of love, My very gentle Valentine."

THANK YOU NOLA
MARGRET CARBONE

“Thank you, I’ve tried my best every day”. This was the heartfelt reply from Mrs Nola Marino MHR, when thanked and congratulated by locals after announcing her retirement from politics.

“Brunswick’s Favourite Daughter” will officially retire from her 17-year role as the Liberal Member for Forrest at the next Federal election, expected to be held mid-2025.

Nola was raised in Brunswick, daughter of community stalwarts Alma and Sam Catalano. Once married, she and her husband Charlie lived and worked on their farm in Harvey while raising their two children. They also became active members of the community, with one of Nola's roles being president of Harvey Bulls Football Club. Nola has received a number of awards including Rural Woman of the Year, Premier’s Australia Day Active Citizenship Award and certificates for outstanding community service. Nola was elected to the Forrest electorate in 2007, having since been re-elected five times and establishing a reputation as a “grass-roots” politician who relates to the community. She is the Shadow Assistant Minister for Education and has held a number of committee places and roles, including a ministerial appointment as Assistant Minister for Regional Development and Territories. The Moospaper joins Brunswick in congratulating and thanking Nola and wishing her all the best!

Australia Day Breakfast

Helping out the Riding for Disable

COUNTRY WOMEN'S ASSOCIATION JUDY TALBOT

The Country Women's Association in Western Australia celebrated its Centenary in 2024 and to acknowledge this milestone, a beautiful book titled Women of Spirit was written. Brunswick is acknowledged and we had the third State President of the Association Mrs Clare Burt. In 1929 Clare and Archie Burt and their four children purchased the Monastery in Brunswick and took up residence.

Mrs Burt was already aware of the CWA and called a meeting to discuss forming a Branch in the Town.

The inaugural meeting was held in the Memorial Hall on November 17th 1932, and until the Branch acquired its own Rest Room the Meetings were held in the Westralian Farmers Cheese Factory. In 1935 the Rest Rooms were erected, opposite the Brownes Factory, and over the years Junior Farmers, Red Cross, Infant Health and the Blood Bank were among organizations who all utilised the building.

During her term in office, Clare received numerous meritorious awards which included the King's Medal in 1937, and Life Membership of the Brunswick CWA in 1936. She was elected State President in 1934 and again in 1938.

In 1940 the family relocated to Perth, but the Brunswick CWA was a driving force in the community.

Sadly the building was pulled down when upkeep became too much and costly.

A plaque denotes where it once stood.

I have fond memories of Junior Farmer Meetings and several Field Days, and Red Cross Meetings held in that building.

BOOK NOOK UPDATES

TINA WALLIS

Brunswick Junction
Community Resource Centre
Your local connection

Summer is a great time to catch up on some holiday reads. We wonder what your favourite book was for 2024? Did you receive a fulfilled wish for a particular title or author as a gift? Our library team have been indulging in some new reads over the last month or so – it’s a tough job, but someone has to do it!

The outcome of this are further additions to our library with more bestsellers including ‘Molly’ by the much-loved Rosalie Ham who is back with different story of Molly Dunnage as a prequel to The Dressmaker. Also ‘A Periodic Table: My Sciencey Memoir’ by Dr Karl which has been a popular bestseller, selling out as soon as it hit the shops! Other new titles for 2025: ‘Silent Patient’ by Alex Michaelides – a psychological thriller, ‘The Writing Class’ by Esther Campion – an engaging Irish author who observes friendships and second chances, ‘The Measure’ by Nikki Erlick – a thought-provoking read that explores how all moments, big and small, can measure a life.

We hope that there is something there of interest, along with our other bestsellers or if you have a book recommendation, we are happy to consider this. Remember you can catch up with the latest reviews in the ‘Choice’ magazine, with new editions each month as well as ‘The Diggers’ six-monthly publication to help guide you in planning for your garden. Happy Reading!

The ‘Brunswick Book Nook’ library services are supported by the Shire of Harvey who make it possible to bring these exciting reads to you.

BRUNSWICK CRC - NEW LOOK FOR 2025!

TINA WALLIS

If you have been to the resource centre recently (in the last 2 months, or so), you would have noticed one or two changes. Yes, we have been upgrading the front of the building with the support of the Shire of Harvey who have helped to fund the new, bright appearance of the Centre. Long overdue, but we are now feeling refreshed with a colour scheme that happens to blend in with the new mural and also the recently painted St. John Ambulance Sub-Centre in Brunswick – the ambulance crews might need to do a second take when they pull into Ridley Street! Labour has been provided by the Bunbury Prison Pre-Release Unit and we thank their supervisor, Colin for coordinating the work and also we thank the team of our own volunteers who have been there to ensure the workers are kept hydrated and fed during the extreme conditions of the summer heat. Next in line for attention is the front garden area, or rather the desert that it has evolved into! With persistent problems of an old retic system, we have now gained approval and go-ahead from our lease holders, the Shire of Harvey to redesign the front area. Based on a water-wise design, the finished garden will feature drought-resistant plants alongside installations that will be inclusive and representative of our community groups. With the aim of creating a path with stepping stones made by organisations in Brunswick, this part of the project will take a while to complete and we hope to coordinate the work in a timeframe that will meet the change of season and cooler weather. Rest assured, we should be looking pretty dapper for 2025 and the celebrations of our 20th anniversary – more about that to follow in the next edition of the Moospaper – watch this space!

AUSTRALIA DAY BREAKFAST CNTD. TINA WALLIS

The Shire's awards included acknowledgement of people and organisations that contribute to Brunswick Community: Kate Bufton (Community Citizen) of Brunswick Men's Shed for spearheading and organising the men's health events in the town; The 'Back to Brunswick' Committee for the amazing event that reunited and celebrated the local people and places in Brunswick (September 2024); Brunswick Tennis Club Committee for their enduring work in the challenges faced to continue provision of a sporting option to the town and open the opportunity for young people to build their skills to play on the professional circuit; Brunswick River Cottage Committee who have worked hard and steady to bring additional housing to the community, securing future homes for Brunswick's population. To all these and the nominees, we thank and CONGRATULATE you!! A special mention goes out in recognition of the support from the Brunswick Singers, who helped to lead the singing of the Australian National anthem.

or call 0422 660 290

This is a full time position for 12 months, primarily based in Brunswick, WA

BOOK & FILM CLUB CHELSEY NORTH

If you happen to chance by Brunswick Junction CRC on a Wednesday afternoon, you might hear some interesting conversations, see heads buried in a stack of books or maybe a film playing. What is going on, you might ask? Well, we invite you in to come and see for yourself as we are starting up a Brunswick Book & Film club!

Providing a fun, relaxed space to connect with fellow book lovers, we will enjoy afternoon tea, dive into great reads, discuss book-to-film adaptations and get creative with some workshops. Wednesdays, from 3.15pm to 5pm.

If this sound like your cup of tea, please contact the Resource Centre on 08 9726 1452 or pop down for a chat. Our first meeting commences on the 12th of February, we hope to see you there!

Your Place - Your Say

YOUR PLACE - YOUR SAY

The Shire of Harvey is taking steps to streamline how we plan for the future. Over the past few years, we have consulted and engaged with the community extensively. Now we are looking to consolidate what we've heard into a simplified Council Plan.

This will be our roadmap for the next eight years: it will help us to plan, fund and deliver the services and facilities our localities want and need.

We will be consulting across the Shire to understand the unique priorities and needs of our communities to help us develop the plan, and confirm what we've heard previously. Your voice and your participation in this process are important - we'd love for Brunswick to get on board!

How to get involved

All Shire of Harvey residents are invited to complete a MARKYT Community Scorecard. This will be live from February 14 - March 14. Paper copies will be available at Brunswick CRC. Links will also be available to complete the scorecard online - look out on your local community noticeboards, Shire social media, and the Shire's newsletter.

Following the scorecard, we will deliver a series of community workshops in May to hear from you direct. There'll be more information about these available soon.

To find out more, please go to www.harvey.wa.gov.au/your-place-your-say/get-involved

FIRST LIVE PAINT AND SIP

JOSEPHINE MARSTON

Over the summer holiday break, the Resource Centre organised a couple of Junior Paint and Sip events where young people came in and spent some time, creatively. It was decided that one of these sessions would be with a live paint tutorial - something which the Centre has not done before. The event ran with great success! It was a full turn-out, with each child trying their hand at painting the theme of Two Ducks in a Meadow.

In having the painting live, it enabled the children to have choices in techniques they would like to try, or what type of flowers they would like to paint. It was a great joy watching each painting come out different, yet as beautiful as the next. The live format also allowed for more banter, with the children forming friendships and rapport with others they had never met before.

Brunswick Junction Community Resource Centre is eager to continue running school holiday activities as well as the regular, weekly youth program, so please keep an eye on our Facebook page for upcoming events!

'Two Ducks in a Meadow' and 'Sea cave view of Dolphins' Presented by Chelsey North and Josie Marston

MOONLIGHT MOVIES AND MUNCHIES: A MAGICAL NIGHT IN BRUNSWICK

BRUNSWICK TOWN TEAM

On Saturday, 18th, Brunswick Town Team hosted a spectacular Moonlight Movies and Munchies event, drawing in a crowd of over 110 movie enthusiasts. The featured film, Rio, delighted both kids and adults alike, under the starry night sky.

However, the excitement didn't stop at the movie. The event also showcased a variety of food trucks, offering a delicious range of cuisines. The aroma of mouth-watering food wafted through the air, enticing even more people to join in on the fun. While the movie attracted a sizable crowd, many more came to indulge in the tasty treats provided by the food trucks.

The evening was filled with laughter, chatter, and a sense of community spirit. Brunswick Town Team was thrilled to see so many smiling faces, enjoying quality time with family and friends. As the night drew to a close, it was clear that once again their movie night become a highlight of the local events calendar.

Brunswick Town Team would like to extend their gratitude to everyone who attended, making the event such a resounding success. We're already looking forward to our next movie night event, and we can't wait to share it with you!

KIDZ CLUB MAGIC

JOSEPHINE MARSTON

Throughout 2024, the Brunswick Kidz Club has been running with great success. The children were able to experience a variety of different activities and learn about new topics, whilst also having fun! One activity the children participated in was the Handmade Holidays event in December, where they sold Christmas gift tags they had made in the weeks prior. Through this, they raised over \$200! for which they were able to choose what to spend their well earned efforts on!

They chose to go to The Greatest Magic Show performance in Bunbury. Asked for their review of what they thought about the show, Isaac said: "The magic show was great! The bit when he put the shoe into a cannon and then shot it out into a box hanging from the roof - it was very cool!"

Lincoln enjoyed a different part of the show, commenting "My favourite bit was the ringmaster trying to make the undies disappear but they didn't, they just got bigger and bigger and bigger!!" Matariki, Mary and Tina sang the magic 'Underpants' song all the way home!

This upcoming Kidz Club term is themed around summer activities, which will include some cool fun! If you are interested, please get in touch with the Brunswick Community Resource Centre to get more information and to register.
